

**GIS Users Group Meeting
Strategic Planning Session
August 28, 2008**

AGENDA

1. Introduction by Dave Treme
2. Welcome and Announcements
3. Icebreaker
4. Review the GIS Timeline
Identify events at the national, state, and local level that have shaped GIS and its implementation at the City and County.
5. Review GIS Data Needs
What sort of information do different departments need and want? Why do they want it? When do they want it, and how do they anticipate getting it?
6. Wrap-up for the day
